JOHN M. WALTON

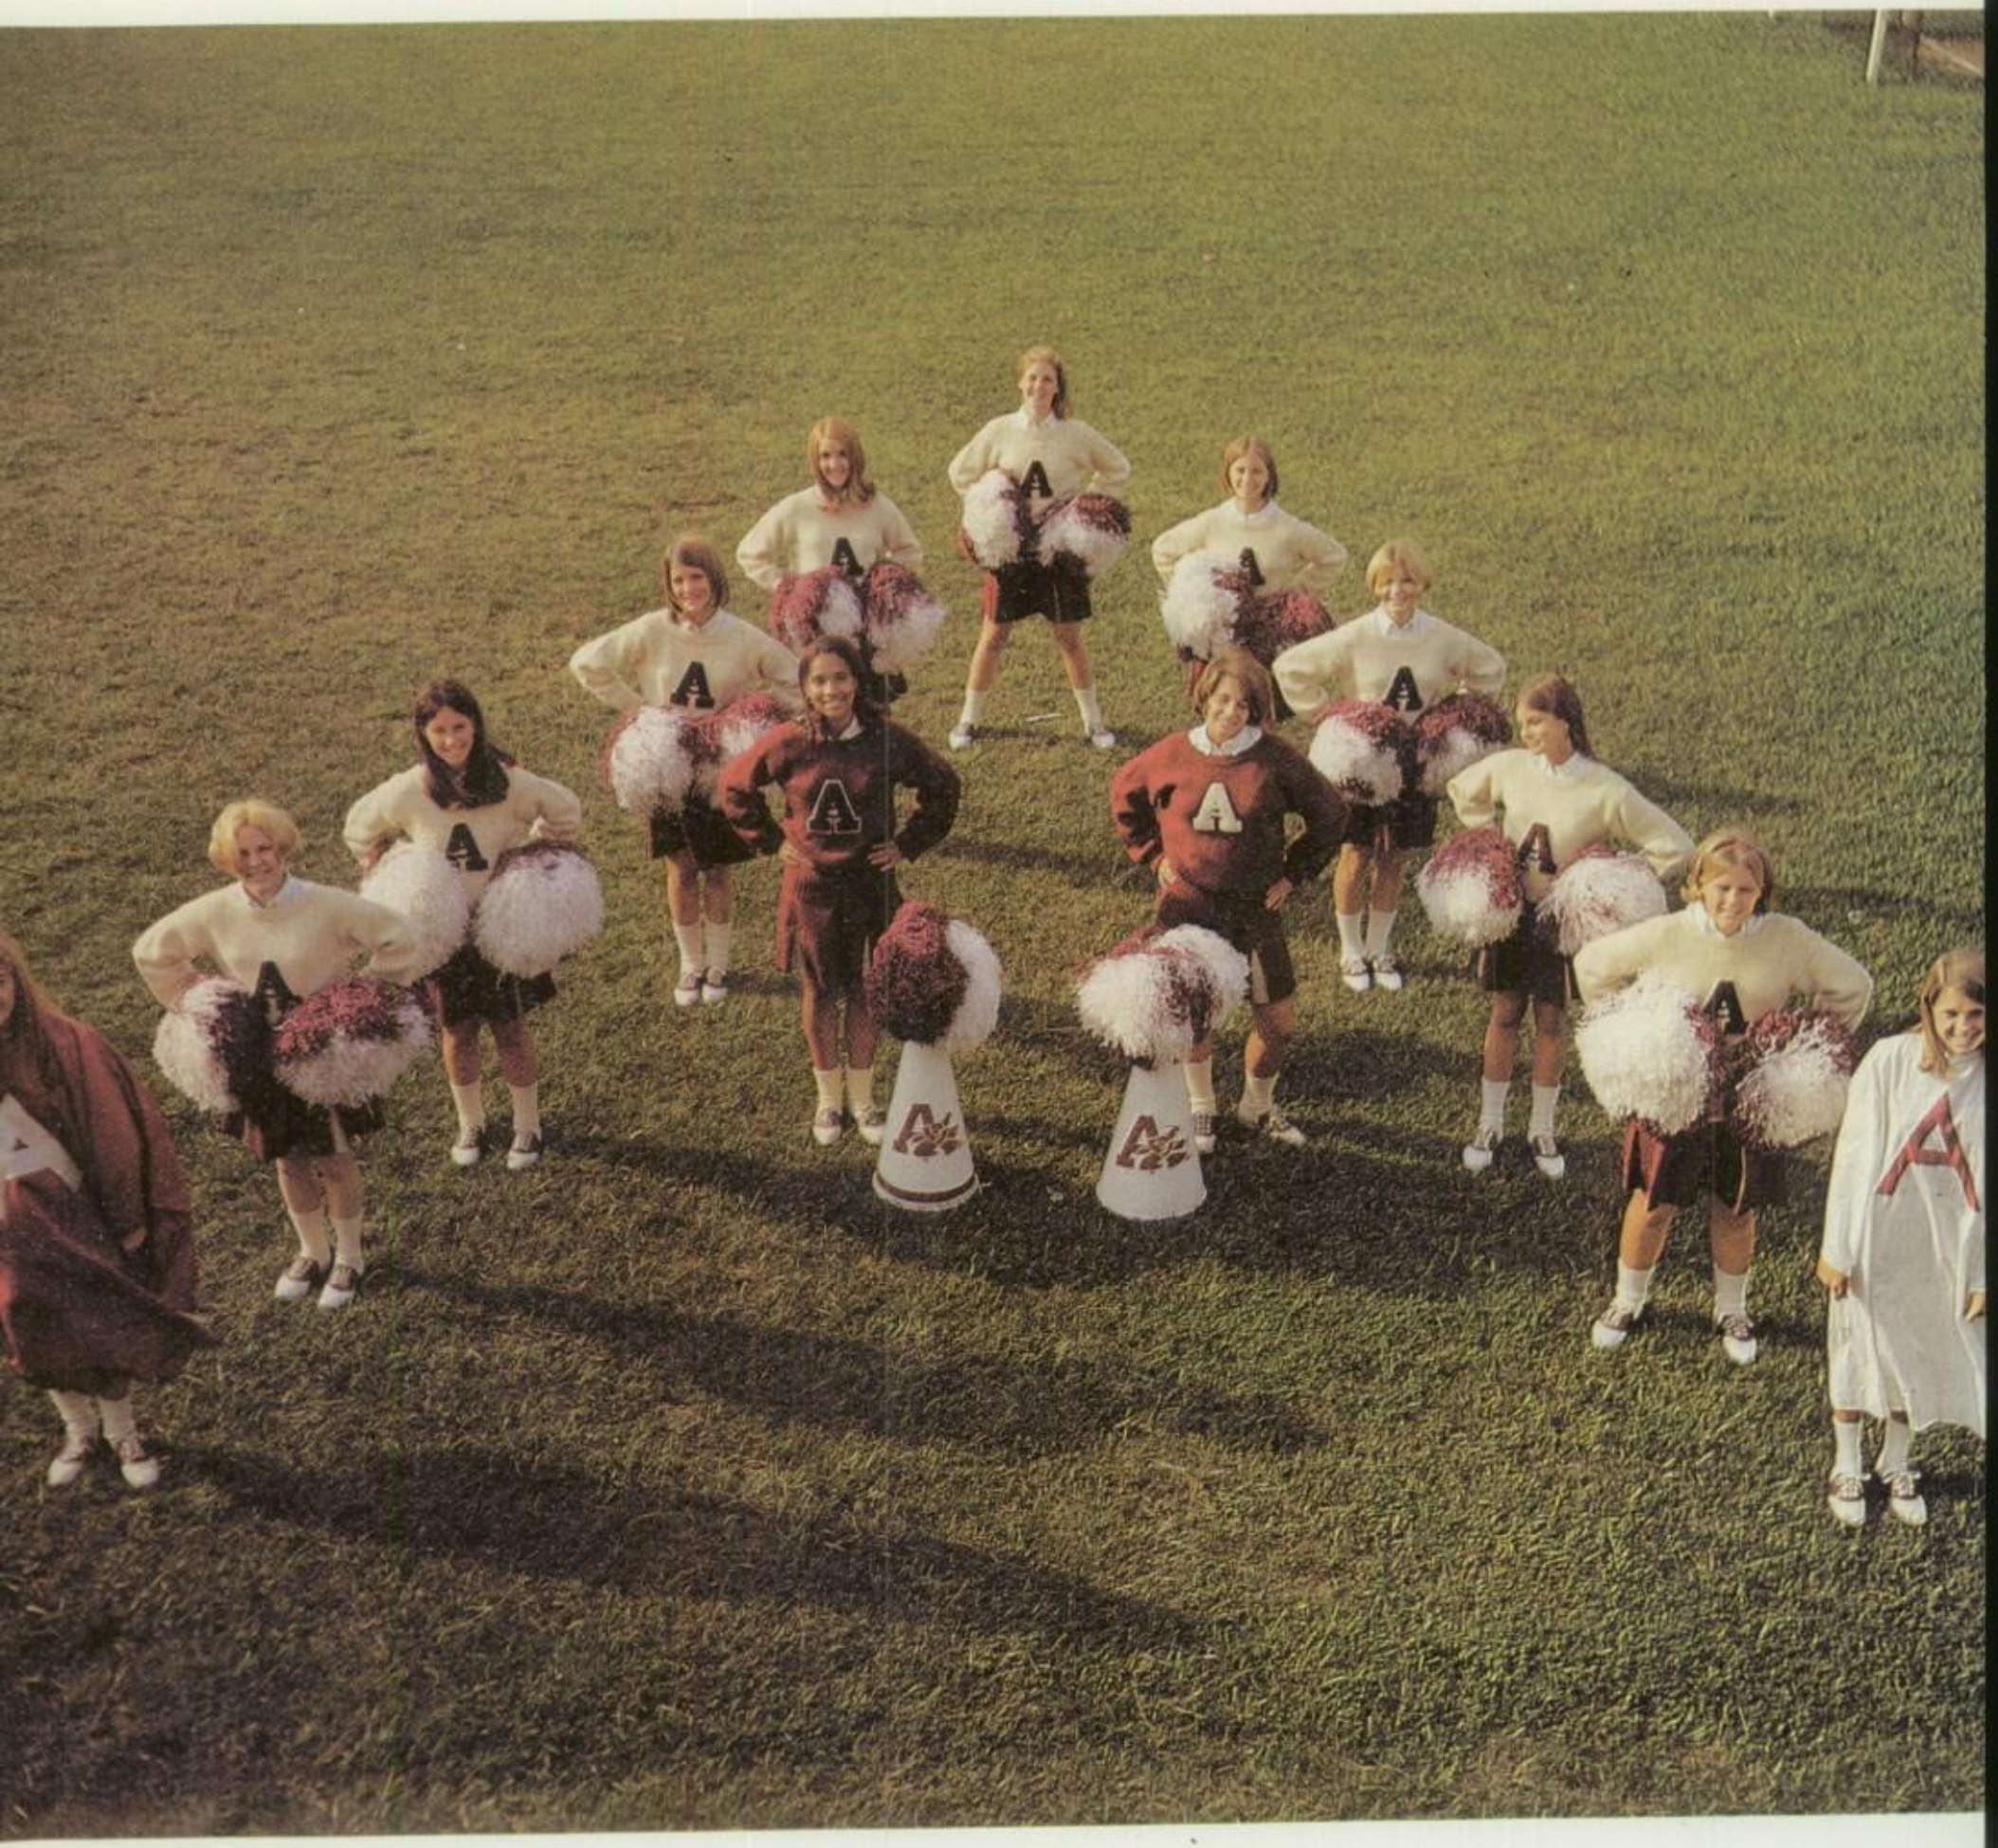
1950-1964

John had a wide range of interests. He played the saxophone and was a member of the school band. An avid sports fan, he was an active participator, as well as a spectator. John loved to build model cars and had a large collection consisting of various sizes and colors. In school, his favorite subjects were science and math.

DONALD L. SALERNO

1949-1966

Don's interests leaned toward the scientific and mechanical. He loved cars and was an expert on how they ran. He knew how to fix a broken radio or television. Don was a member of the cross country team and was the first Abington freshman to receive a varsity letter in that sport. His favorite subject in school was science.



SPORTS

The 1967 football team can be credited with upholding the great Abington tradition by winning the league championship with an undefeated record. The team's overall record was a phenomenal 8-1-1 against extremely rough competition. Abington's only loss this year was to Ridley by a 19-13 score. After this defeat, Abington successively beat Methacton, Chester, Norristown and Upper Dublin by more than 33 points in each game. Abington then had the severe test of playing an Upper Merion team which was undefeated and picked to win the Suburban I championship. The Ghosts, playing the role of the underdog, tore up the Vikings by a 20-6 score. The defense led by Charlie Erickson and Dave Oliver contained Upper Merion's offensive attachment while the Ghosts, with Marshall Roberts leading great line play, beat down Upper Merion's defense. After this game, Abington ripped apart Plymouth-Whitemarsh, 52-0. Next, on a rain-soaked Cheltenham field, Ron Ziegler caught a T.D. pass from Bob Berlinghoff in the final period to give the Ghosts a 6-0 victory in this bitter defensive struggle. Charlie Erickson won the trophy for outstanding lineman of this game, while Mackey Mills won the trophy for outstanding back.

1967 IS GHOSTS'

The 1967 football team celebrated its 50th anniversary of interscholastic competition. Since 1917, the Ghosts have won eleven league championships, their first coming in 1921. Glenn Snodgrass was the coach in 1928 when Abington had its most successful season, winning the league title with a 9-0-0 record and being unscored upon during the season. The Ghosts had two other undefeated seasons in league play; the 1940 team (7-0-1) and the 1953 team (9-0-1).

Abington has had many fine coaches over the years. Edwin U. Smiley was the first coach (1917-1919). Lou Little coached the 1923 team to an 8-1-0 season. Glenn Snodgrass coached the Ghosts for the longest period (1925-1943). He had a total record of 105-42-10 and five league championships. He was the coach of two undefeated teams. The past ten years continued to bring fine coaches to Abington. From 1957 to 1963, the Ghosts were under the direction of Mr. Marty Hubley, followed by Mr. Chuck Weber. Bother achieved a league championship. Mr. Joe Shumock arrived in 1964 and has compiled a record of 22-13-5 and two league championships. Since 1920, Abington holds a 27-13-5 advantage over Cheltenham.

Needless to say, the 1967 football team had a great responsibility to Abington. They had to step in and follow in the footsteps of football greats. This they did with skill and sportsmanship beyond compare. Once again, the ghosts marched onward to victory.

The outstanding Abington runners were co-captains Bob Morris and Ted Panaccion along with Walter Swift. Juniors Walter Swift and Dave Lokken with the help of sophomores Kurt Jacobson and Woody Greenwood are expected to carry the load next year.

Mr. Secor was one of the main reasons why the boys did so well this year. With his training and encouragement, the Ghosts placed fourth in the Suburban Meet.

The soccer team, under the direction of Coach Beaver, turned in a fine 8-2-3 overall record. In Suburban North play, the Ghosts finished with a 7-2-1 log, good for second place. The league season started out with a 1-0 reversal to Methacton. The Ghost bounced back to whip Chester 4-0. The Beavermen were battling for first place when they played Ridley away. Ridley, the eventual District One champions, downed Abington 3-0. Throughout the game, the Ridley defense thwarted all of Abington's attempts for goals.

The season ended with three successive 1-0 victories, including a triumph over arch-rival Cheltenham. All season long the Ghosts were sparked by a strong defense led by goalie Bob Pell and halfback Terry Brewer.

The girls' field hockey team enjoyed one of its more successful seasons in recent years. Miss Pletz, who knows the intricacy of the game fielded a team with good depth, ability, and great morale.

Led by Jinny Montgomery, Janice Palmer, and Terry Swift thwarted all but two of their eight opponents. The high points of the season were two vigorous defeats one arch-rival, Cheltenham by identical scores 6-0, 6-0. While the scores do not show it, both games were hard fought affairs. Though the Abington ghosts excelled on offense, goalie Diane Coleman, was challenged many times. Her determined efforts aided the girls in shuting out the Pantherettes.

With few losses through graduation the team looks to next year with great anticipation.

BASKETBALL

Coaches: Mr. G. Donnon McGinley, Mr. James Wilkinson (Head Coach), Mr. Les Burke, Mr. Thomas Parsha.

Abington presented a new team and a new coach as it opened its season with Pennsbury. Coach James Wilkinson directed his charger to a 55-47 victory. Seniors and Co-Captains Hargraves and Lee were instrumental in this victory. Abington followed this win with another over Upper Moreland, a close loss to Neshaminy (55-60), and two enjoyable wins over Bensalem and Council Rock.

Following the Coatesville Christmas Tournament where Abington placed third, league play continued. Senior Bob "BoBo" Bell, a returning starter, and underclassmen Glen Pellicott and Pat Murphy, played important roles in the games with Chester, Cheltenham, Methacton, and Upper Merion.

The string of losses handed the Ghost by Upper Merion ended with their second meeting of the season. Having led through most of the game, Abington fell two points behind with only seconds remaining. Yet the Ghost was not to be denied. Steve Lee made a fantastic steal and raced to the basket and tied the score, forcing an overtime. Glen Pellicott pumped in two field goals and Abington won by one, 65-64.

Abington followed this victory with its last chance at the league leader, Cheltenham. The Panther, seeking the Suburban One Title, was challenged for two quarters by the Ghosts of Abington, but held a ten point lead as the final buzzer rang, and won, 67-57.

The Ghosts rounded out the season with wins over Plymouth-Whitemarsh and Methacton while losing the final to Chester 78-47. Coach Wilkinson used his bench judiciously during the year. With Glenn Pellicott (Captain), Dan Murphy, Pat Murphy, Bob Berlinghof, and Bill Kitto returning next year, the Abington Ghosts should be in strong contention for the title.

BOY'S SWIMMING

Abington's mermen achieved performances in the District I Championship meet and won in Abington's Christmas Invitational meet, and, most recently, at the Pennsylvania Interscholastic Championships at Bucknell University.

Coach Pawling's swimmers left all but two schools in their wake during the regular season. A loss to Plymouth-Whitemarsh early in the season by 60-35, was avenged by a 52-43 victory. Upper Merion proved to be the Ghosts' nemesis. A disputed touch in the 100 yard fly gave Upper Merion a one point victory, 48-47. Feeling the strain of the long season, the team lost its closing meet, again to Upper Merion, 51-44.

In early March, Abington traveled to Bucknell University for the State Championships. The highlight of the meet was the 400 yard freestyle relay race. Bart Allen, Bob Shaffer, Bill Schuman, and Dave Dyson established a new State record time of 3:19.8. It is the best schoolboy time in the East for this event in 1968. While now being State Champions and State Record Holders, these men qualify for the All American Scholastic Swimming Team for 1968. Truly, it was an outstanding year for the Abington High School's Swimming Team.

A team with good depth and great spirit was led by Bruce Fertman and Bruce Evans. These boys achieved number one and two ranking respectively in league action.

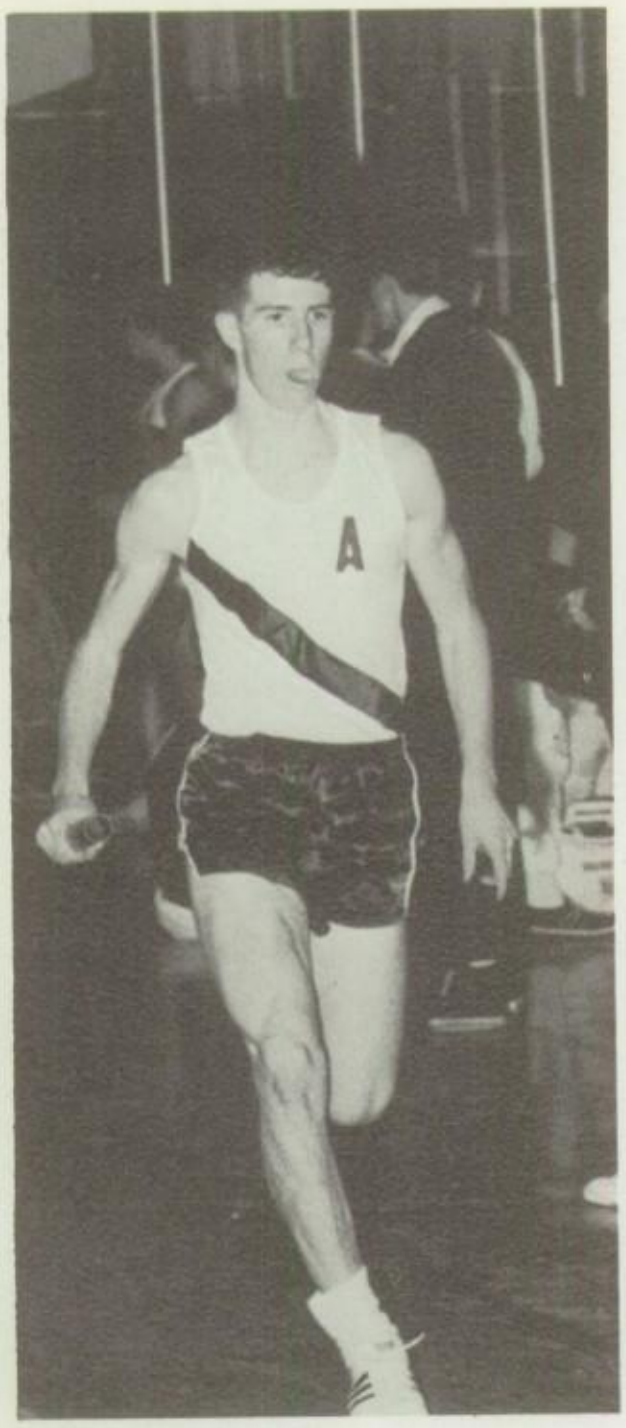
All tied up in knots!

RIFLE TEAM

Riflery is a sport requiring training, ability, and a vast amount of patience. The members are instructed in the correct method of sighting with twin or single sights. Then come the long practices until one is shooting in a groove. Finally come the matches. It is here where the practice pays off. The rifle team finished with a 6-2 record.



INDOOR

Indoor track gives boys with exceptional ability the chance to compete individually against other competent runners. While not representing the school as a team, they do bring honor on themselves and Abington through their singular or combined efforts. One outstanding foursome is the mile relay team of Gerry Wolff, Randy Berner, Marshall Roberts, and James Dyson. Coach Armstrong brought them their peak with a record time of 3:31:6 in "Indoor Meet of Championships.

GIRLS' VARSITY BASKETBALL

The Abington Ghostettes led by Mrs. Bray, a new coach, finished up a great season with eight victories and only two losses. Their season started off victoriously by defeating North Penn by a score of forty-two to thirty-eight. Other wins soon followed with the Ghostettes beating Neshaminy 59 to 41, Upper Dublin 45 to 21, and Upper Merion 62 to 32. The highlights of the season, occurred when Abington defeated Norristown 58 to 14 and Cheltenham 54 to 19. Our losses were close ones with the Ghostettes losing to Plymouth Whitemarsh 42 to 49 and Methacton 36 to 41.

With the help of Coach Bray and talented members like Nancy Roberts, Linda Griffith, and Karen Armstrong, as well as the other excellent players on the squad, the Ghostettes marched on to victory once more.

ORACLE STAFF OF 1968

The heavy responsibility of putting out a book that the students may reflect upon in future years, rests upon the shoulders of Ellen Goodstein, Editor-In-Chief. Mary Stein, Layout Editor, shares this responsibility; it is her duty to make sure that the arrangement of the pictures is original as well as attractive. Financially, Marc Frantz, Business Editor, is carrying the burden of selling the book to students and securing advertisements. Myra Kamar, Photography Editor, organized the pictures and the scheduling for them. Joan Cuccioli, Managing Editor, aided Ellen by maintaining an orderly procedure in production of the book. Rounding out the staff is the Literary Editor, Charlotte Bish.

The Juniors in the staff, Pat Knapp, Cindy Meltzer, Ellen Shifren, Rich Barraclough, who did fine work in aiding Marc Frantz deserves recognition in the area of business. All of these people have made important contributions to this book.

STUDENT AFFAIRS

Stop reading like they did 100 years ago.

100 years ago, people read the way you're reading right now.

Word by word. About 300 or so words a minute.

And 100 years ago, that kind of reading didn't cause any problems. You could keep up with what was happening pretty well.

But today, our knowledge is exploding so fast that people who want to keep ahead are actually falling behind. There's simply too much to read. Too much homework. Too many magazines. Too many books. Too many reports and memos.

What's the solution? Learn how to read faster and better.

You can do it, too. So far over 300,000 other people have done it. People with different jobs, different IQ's, different interests, different educations. Students, businessmen, housewives.

These people have all taken a course developed by Evelyn Wood, a prominent educator. And all of them have at least tripled their reading speed with equal or better comprehension. Most have increased it even more. Some have increased it 10, even 20 times.

Think for a moment what that means.

All of them—even the slowest—now read an average novel in less than two hours. They read this ad in 8 seconds. They read entire issues of Newsweek in 15 minutes.

They don't skip or skim, either. They read every single word. Nor do they use machines. Instead, they let the material they're reading determine how fast they read.

And—mark this well—they actually understand more and remember more and enjoy more than when they read like you. That's right. They understand more. They remember more. They enjoy more.

You can do the same thing—even if you're a relatively slow reader now. In fact, *if you don't at least triple your reading ability, the course won't cost you a thing.*

This is the same course President Kennedy had his Joint Chiefs of Staff take. The same one Senators and Congressmen have taken.

It's eight weeks long. 2½ hours a week, with classes held regularly in Philadelphia, Jenkintown, Wynnewood, Cherry Hill, Allentown and Wilmington.

Shouldn't you find out more about it? You can, simply by coming to a free one hour orientation.

We'll show you a film. Explain the course more fully. Answer any questions you might have.

You'll be under no pressure to enroll. If you want to, fine. If you don't want to, fine. But do come. It could change your life.

For a schedule of these orientations, use the coupon below or phone TU 7-9000 (In Allentown 264-5121; In Wilmington 655-1168)
